Live up your interiors with Euro mosaic tiles. Euro mosaic tiles enhance your walls with colour, depth and vibrancy while infusing strength and beauty to your interior space. Tiles are much more than just a covering, Euro mosaic tiles, with their beautiful patterns, capture attention right away.

Easy Maintenance

Euro mosaic tile clad walls are almost maintenance free, needing only routine cleaning.

Versatility and Value

Euro mosaic tiles can be used in any interior space, be it residential, offices, commercial or any other. Euro mosaic tiles are also perfect for bathrooms and kitchens as they are unaffected by humidity. They are highly durable in shower rooms, withstanding warm water. In the kitchen, Euro mosaic tiles are often used as backsplashes, countertops and table tops. Mosaics are hard and durable, and they just need to be cleaned to retain their shine and original lustre. Euro mosaic tiles offer the best value for your investment combining high decorative and durability values.

Customisation Flexibility

Euro mosaic tiles come in a wide range of colours, designs and textures allowing you to be as creative as you want. Fit tiles into any décor whether new or existing, whether wooden mosaic, square glass mosaic, textured glass mosaic or metallic mosaic tiles we have a range of glass tiles that suit your needs and budget.

Standard size: 300mm×300mm×6mm
