ABOUT US.

Greymica is a company known for its exceptional product offerings, which have supremely infinite application potential both in indoor and out door settings. Over the years, Greymica has created a special place for itself in the market, with it being the preferred choice of many consumers and influencers alike. With a robust team and an able production facility to back it, Greymica has developed a huge range of high-quality decorative acrylic laminates & panels. Its range is manufactured as per the internationally accepted standards of quality.

Greymica has already become a popular entity in the Indian market thanks to its impressive product range. But Greymica has also given ample focus to its growth in the foreign markets as well with a far-reaching export network that promises to change lifestyle and decors globally, Driven by its core principles of excellence and ethics, Greymica is moving forward with a mission to adorn as many decors as possible with its decorative acrylic laminates & panels. Its imported product. Not Manufactured in our factory.
