

## INTRODUCTION

My Decors is established by a team of enthusiastic & experienced people with the mission to provide high quality customized Wall papers, Printing solutions, razor sharp CNC Laser/Router cutting & Engraving Solutions.

CNC Laser/Router cuttings are of utmost accuracy on a wide variety of products like MDF, Plywood, Acrylic, Pine Wood, PVC, WPC, etc. to cater to your home/office requirements.

With more than 10 years of experience in the Printing and advertising industry, we are now spreading our wings by uniting technology with Creativity to manufacture customized products.

As the name says, we give you a platform to design and get your own tailor made products delivered to your door step. We have a full fledged team of Designers who will help you to build your product from conception to reality.

We offer our clients a unique approach to reaching out their customer base through our product and services range that truly expresses who they are and provide them with solutions that are not only better than others but also the way our client require and deserve.

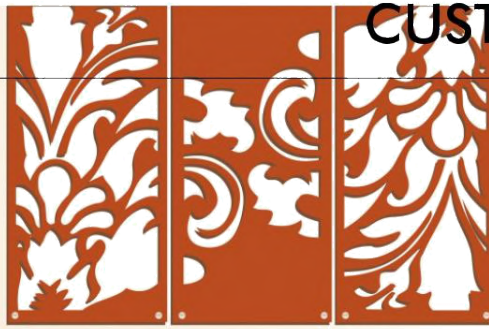

We are soon coming up with our own esthetic and exclusive handcrafted range of interior decoration products. We believe in quality and client's satisfaction is our main motto.
