Introduction and Product Applications

➡ FLEX PVC® Marble, Stone & Veneer sheets can be <u>pasted directly on any smooth surface</u> including:

1. **Walls** of living or bed rooms, bath room, kitchen walls, etc.

2. On top of existing/old **wall tiles** or marble/granite

3. **Plywood** or **WPC** boards & furniture e.g. kitchen cabinets, wardrobes, crockery units, bathroom furniture etc.

4. **Metallic surfaces** like aluminium composite panels

5. On Ceiling OR directly on the slab (up side down)

6. **Wall partitions** made of **gypsum**, **fibre cement board** or wood
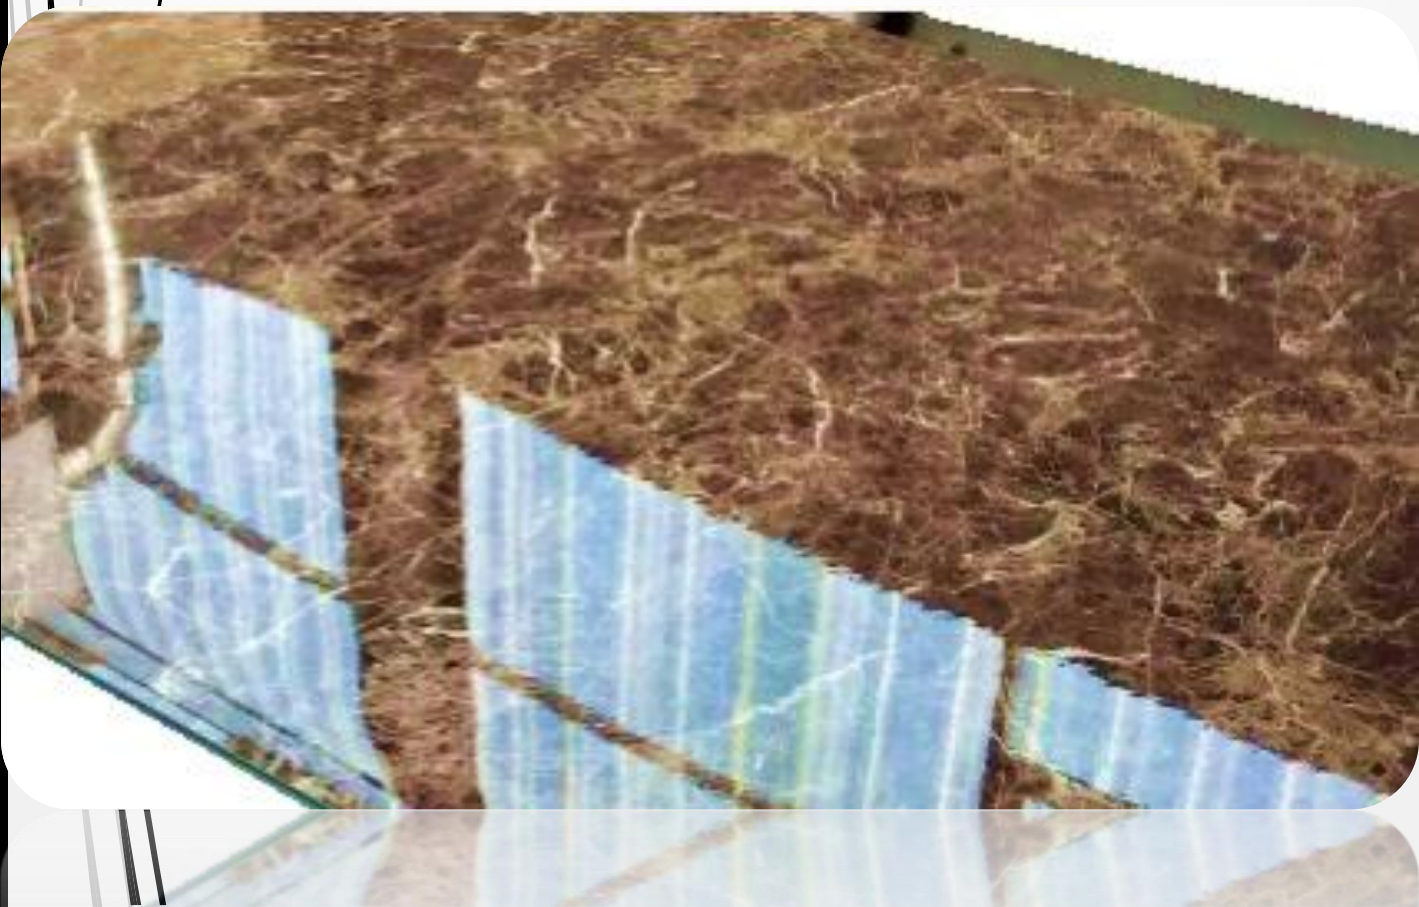

How to Install

Any carpenter can install FLEX PVC® Sheets.

Ps: Remove the protective film only at the end.

➡ Pasting Adhesive

- ✓ Fevicol Heatx for pasting on any smooth plastered/puttied/painted Walls, Old Wall Tiles, Plywood, WPC, Gypsum, Fibre Cement Board, Metal etc.

- ✓ One coat of adhesive on the pasting surface and one coat of adhesive behind the FLEX Sheets

➡ Cutting and handling

Cutting and trimming can be done using normal wood working tools. FLEX PVC® Sheets are very easy to cut.

➡ Handling corner joints

By trimming the corner edges of the sheet at a 45° angle and joining both ends (as shown in the picture)
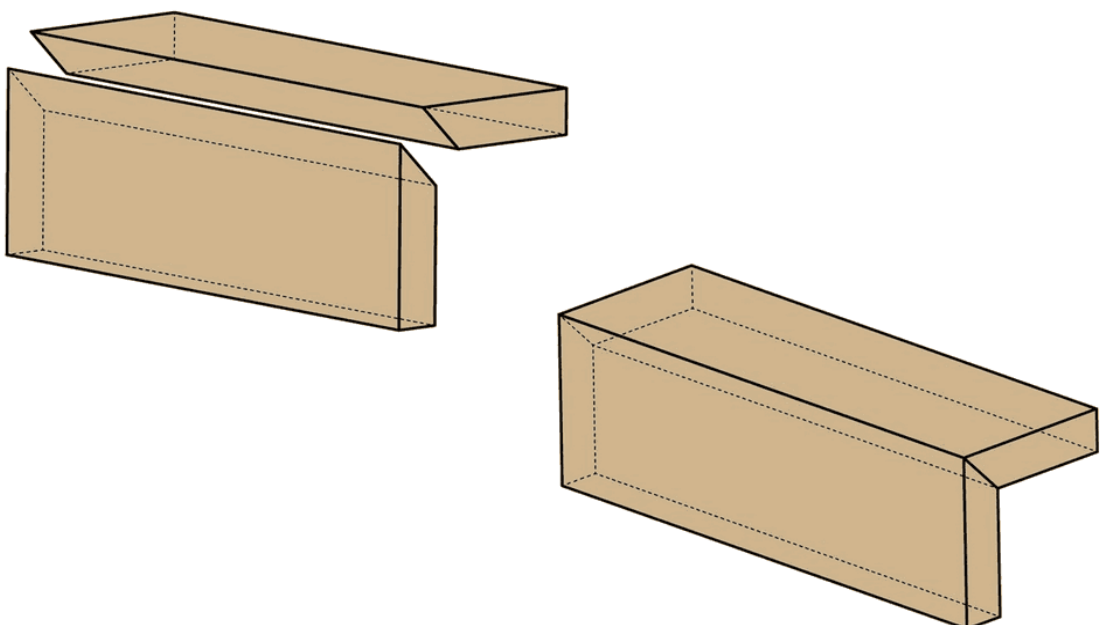

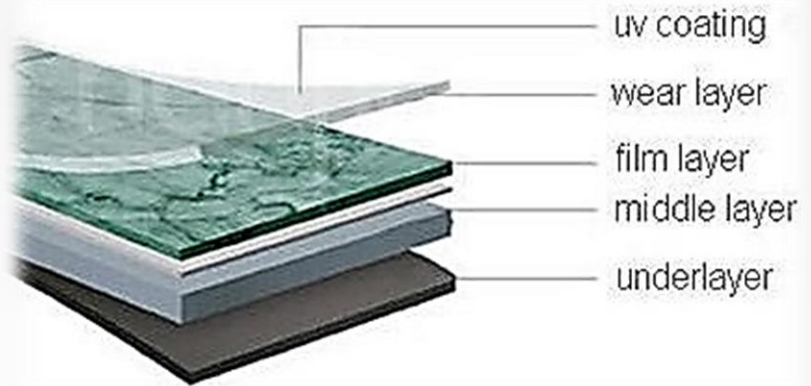

Technical Specifications

► Composition

Multi-layered, PVC and mineral composite for a long life and maximum impact in terms of finishing and gloss.

uv coating
wear layer
film layer
middle layer
underlayer

► Textured Under-layer for Superior Adhesion

The textured under-layer allows for high strength bonding on all smooth surfaces including walls, plywood, old tiles or stone, aluminium or metal surfaces etc.

► Quality Testing

High Precision and Quality Standards for Manufacturing & Testing. FLEX PVC® Sheets undergo rigorous quality standards while being manufactured to maintain the highest levels of consumer satisfaction.

► Dimensions

8 x 4 Feet, Thickness 3 mm

► Printing

Print transfer film with UV coating

► Key Benefits

Water proof, non-flammable, anti-termite, anti-bacteria, long life, zero maintenance

► Warranty

10 years fading warranty
